To Whom it May Concern

Martin Mycielski has worked with us coordinating the preparations for the *EU-China Economic Forum* in Brussels in April 2010 (www.eu-chinaforum.eu/EN), which was organized by the Asia-Pacific CEO Association together with the Polish National Chamber of Commerce, the European Parliament and the China Institute.

I would like to recommend Martin, as the skills he has demonstrated during the coordination of such an important event were admirable. He has managed to successfully organize a large event with the participation of high-level speakers like the Vice-president of the European Parliament, the Ambassador of China to the EU, MEPs and representatives of the Chinese Government and business.

Furthermore, he has shown a good sense of diplomatic protocol while organizing the 3-day stay of a 17-people, high-level delegation of the Government of the People's Republic of China in Brussels and CEOs of the biggest Chinese companies.

I highly recommend Martin Mycielski for any job requiring a skill set necessary for organizing top-level events or dealing with VIPs and government representatives.

Sincerely,

Albert Teo
