#### REFERENCE LETTER

I, Bogdan Golik, Member of the European Parliament, hereby confirm that Martin Mycielski has worked in my office in the European Parliament from the beginning of January until the end of July 2009.

I would also like to recommend Martin, as his performance working as Head of my parliamentary offices proved that he will be a valuable addition to any company or institution.

I have been consistently impressed by both Martin's attitude towards his work and his performance on the job.

His interpersonal and communication skills have allowed him to develop productive working relationships with other employees of my offices across Europe, as well as many other assistants and functionaries in the European Parliament, European Commission and other institutions we have collaborated with.

Martin has proven his managerial skills on many occasions, being towards my other employees - as needed - a leader, a guide, or a good colleague everyone could count on. Above all, I could always rely on his assistance and aid, in any matter, whenever I needed it.

Martin possesses solid writing skills which have enabled him to compose quality correspondence. He also has the analytical skills to diagnose problems and devise viable solutions. His ability to remain unflustered during frenzied periods like parliamentary sessions proves his ability to work well under pressure.

I recommend him for employment without reservation. If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Yours sincerely,

Bogdan Golik
